

GUARDIAN EQUIPMENT TOOL CASES

NEW!

GREAT VERSATILITY OF CONFIGURATIONS

**THE NEW STANDARD IN WHEELED EQUIPMENT TOOL CASES TO PROTECT FROM DUST & HUMIDITY
WATER TIGHT • CHEMICAL RESISTANT • OPTIONS • CUSTOMIZABLE FOR EQUIPMENT**

The **GUARDIAN TOOL CASE** is specifically engineered for the professionals who need to carry a variety of tools and spare components, making it the ideal companion for all kind of MROs. Comes in a sturdy injection molded body made in copolymer polypropylene, able to withstand shocks, rough usage and harsh weather conditions, features two side handles, an telescopic handle (39" extended height) and four robust and silent wheels. The upper compartment closed by the top lid, contains an optional removable tray for spares, placed on top of a recessed area where a laptop computer can be stored. The lower compartment, protected by a collapsible front door, can accommodate 3 to 8 removable drawers of variable height.

All drawers, while completely accessible when open, are provided with a self-restrain stop to prevent the accidental falling out. A number of optional accessories such as pivoting wheels set, and extra drawers and diced foam sets are available to make this product your Personal Maintenance Assistant.
